**Subject:** RE: Discuss Pavillion Report

As promised, attached is a new version of Region 8's comments revised to incorporate and reflect the input from the reviewing team. It is always a difficult task to meld several sets of comments while maintaining a coherent whole and avoiding duplication, but hopefully this reflects the spirit and the essential elements of the reviewing offices' comments. Given our short time frame, I would ask, with apologies, that you provide me any feedback you have on these by cob Wed, March 9. If your feedback points to the need for additional discussion, Joan has time scheduled on Thursday. I want to note that the more time I spent with all the reviewer's comments, the more I realized the time and effort that went into developing them, so thank you again for your contributions.

Ayn
